INTERESTS Human-Computer Interaction, Large Language Models Engineering

EDUCATION

Ewha Womans University Seoul, South Korea
M.A. in Educational Technology Mar. 2025 – Aug. 2026

- Total GPA: 4.0 / 4.0, Full-tuition Scholarship
- Thesis: "The Impact of Participatory Roles of Conversational Agents on Decision-Making in Controversial Issues"

B.A. in Educational Technology & B.S.E. in Software Mar. 2021 – Feb. 2025

- Total GPA: 4.0 / 4.3, Summa cum Laude

c

Best Poster Award, International Conference on Computers in Education 2024, Asia Pacific Society of Education (2024)

- Presented and awarded Best Poster among 57 submitted posters

Excellence Award, Youth Idea Contest on African Educational Development Cooperation, Korean National Commission for UNESCO (2024)

- Selected as a top 3 project among 79 submissions; presented at the UNESCO Korea-Africa Education Cooperation Forum, Seoul

Ewha Global Frontier Scholarship, Ewha Womans University (2024)

- Competitively selected to conduct field research at alternative education institutions across Denmark, Ireland, and the United Kingdom

Full-tuition Scholarship, Ewha Womans University (2025-26)
YSK Scholarship, Ewha Womans University (2025)
Dean's List, Ewha Womans University (4 semesters)
Outstanding Project Award, Department of Educational Technology, Ewha Womans University (6 awards)
Outstanding Paper Award, Korean Association for Educational Information and Media (2024)
Honorable Mention, The Koreans Society for Educational Technology (2023)
Best Project Award, Ewha Discovery & Adventure Lab, Ewha Womans University (2023)
Best Project Award, Department of Educational Technology, Ewha Womans University (2023)
Outstanding Project Award, Ewha Discovery & Adventure Lab, Ewha Womans University (2023)
Grand Award, Upcoming Life in Space SW Competition, Future & Software Foundation (2022)
Ewha Alumni Association Scholarship, Ewha Womans University (2022)

RESEARCH EXPERIENCES

Interaction Design for Learning Lab Seoul, South Korea
Department of Educational Technology, Ewha Womans University Jan. 2024 – Present
Graduate Research Assistant (Advisor: Prof. Hyo-Jeong So)

- Developed rapid prototypes for game-based learning targeting AI ethics education
- Designed and conducted user studies to analyze learner interactions facilitated by the developed game-based learning prototypes

Learning Analytics for Prediction & Action Lab Seoul, South Korea
Department of Educational Technology, Ewha Womans University Summer 2021, 2022, 2023
Undergraduate Research Assistant (Advisor: Prof. Il-Hyun Jo)

- Collected participants' Area of Interest (AoI) data using Tobii Eye Tracking software and conducted Scanpath Trend Analysis (STA) with machine learning techniques
- Supported eye-tracking experiment operations by guiding participants and documenting experimental progress
- Co-published a research paper based on experimental findings

TEACHINGS

Empowering Learning and Teaching with LLMs, Ewha Womans University — Jul. 2025

Guest Speaker

- Delivered an overview of LLMs in Education and facilitated hands-on development experiences for 6 Indonesian students visiting from a partner institution

Ethics and Thought, Yale Girls' Highschool — Apr. 2024

Student Teacher

- Designed and delivered curriculum-aligned ethics lessons, facilitating structured classroom discussions.
- Provided individual academic and guidance support to students

Instructional Design, Ewha Womans University — Spring 2024

Teaching Assistant

- Edited and enhanced video-based lecture content for an undergraduate instructional design course, ensuring clarity and instructional quality
- Maintained course records and tracked student progress throughout the semester

ACADEMIC SERVICES

Ad hoc Reviewer, Environment and Social Psychology
Ad hoc Reviewer, Journal of Research, Innovation and Technologies
Administrative Assistant, International Conference for Media in Education 2025
Student Volunteer, Conferences held by Korean Academic Societies (4 times)

LEADERSHIP

Director of Learning & Instructional Design Track — Seoul, South Korea

Department of Educational Technology, Ewha Womans University — Apr. 2023 – Mar. 2024

(Advisor: Prof. Hyo-Jeong So)

- Oversaw group activities of 60 participants and managed program logistics for the assigned track
- Conceptualized and produced primary exhibition visuals, including branding posters and motion graphics materials
- Contributed to the organization of a public exhibition attended by over 700 visitors

Co-Director of External Relations — Seoul, South Korea

Student Council, College of Education, Ewha Womans University — Feb. 2022 – Jan. 2023

- Managed partnership and collaboration initiatives between the College of Education and various external companies and organizations

PROFESSIONAL EXPERIENCES

HSPACE — Seoul, South Korea

Learning Experience Designer — Jan. 2024 – Present

- Designed and facilitated a leadership workshop for 120 student organization leaders, incorporating a game-based session on organizational branding.

SKILLS AND CERTIFICATES

Programming & AI Development

Python (PyTorch, TensorFlow), R, SQL (MySQL), JavaScript (React)

Interactive Prototyping

Protopie, Figma

Certificates

Advanced Data Analytics Semi-Professional, Korea Data Agency
Secondary School Teacher Certificate (Pedagogy), Ewha Womans University

LANGUAGES

Fluent in English, Intermediate in French and Native in Korean
